Stature

Stature is an automated XP-oriented progression, considering the user's history within the Nexus, postings, VC activities and so on. Stature involves levelling up the user from degree 1 through infinite. Then for every fifth degree, the user acquires a new rank. Finally, every fourth rank is special that is accorded a special status. The following outlines the first twenty such ranks with subscript number, including special ones with superscript number and boldface.

Ranks

Ardent$_{1}$	*Intelligent*$_{5}$	*Heroic*$_{9}$	*Exquisite*$_{13}$	*Alluring*$_{17}$
Perseverant$_{2}$	*Avant-garde*$_{6}$	*Subjugating*$_{10}$	*Victorious*$_{14}$	*Excellent*$_{18}$
Fervent$_{3}$	*Radical*$_{7}$	*Astute*$_{11}$	*Graceful*$_{15}$	*Divine*$_{19}$
Zealot^{4}	***Visionary***^{8}	***Disciplinarian***^{12}	***Achiever***^{16}	***Lord***^{20}

Honours

Achievements

Achievements are colourful, symbolic badges. These badges are bestowed to specific users upon their certain interactions within the Nexus. The following lists such achievements with tiers.

Stellar Orbiter
Sets one's birthday date

Imperial Patron
Boosts the server at least once

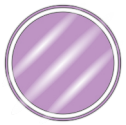

The above achievements are single-tiered whereas overleaf are multi-tiered ones. Below is the sequence of four tiers, each representing a degree of magnitude from lowest to highest. These tiers envelope the symbols overleaf where applicable.

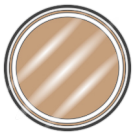

Early
Tier I

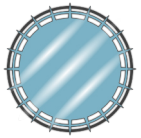

Budding
Tier II

Solid
Tier III

Colossal
Tier IV

Pearl Orator
Sends messages

Eloquent Spellbinder
Spends minutes in voice channels

Staid Empath
Adds reactions to messages

Jaded Originator
Creates threads

Earnest Partaker
Participates in threads

Pink Emptor
Buys economy items
