Eligible Supreme Fellow > Adventurer

Eligible Supreme Fellow > Defender | Eligible Defender > Universalist | Eligible Universalist > Emperor

Eligible Supreme Fellow > Pioneer | Eligible Pioneer > Inventor | Eligible Inventor > Architect

Eligible Supreme Fellow > Intellectual | Eligible Intellectual > Philosopher | Eligible Philosopher > Saint

Procedures

Procedures include a series of intelligent ventures.

Interview deals with

- Excellence
- Problematic Ideas

Formal naturalisation is about composition. Sample procedures include

- Identify THREE premises that critical thinking skills are important
- Discuss TWO reasons why adventure is a human virtue
- With ONE personal example, define integrity

Leading selection quest provides with a series of imperial duties. It engages prospective skills in argumentation, imagination and problem solving to a very complex degree. Specialties are

- *Azure Fellows*
- Statutory Interpretation
- Art, Humanities & Philosophy
- Design & Novelties
- Ventures

Programs

Programs include variegated assignments.

Assignments -

Scales: Advanced | Intelligent | Select

Disciplinary Skills: Action | Planning | Reasoning | Strategy | Thesis

Departments: Adventure | Democracy | Innovation | Philosophy

Adventure

Adventure deals with issues -

- Advanced expeditions
- Delegative implementations
- Human ventures

Intelligence

Intelligence is about complexities -

- Assessment to turn the situation
- Experimentation to validate the idea
- Investigation to determine the problem

Design

Design includes viable opportunities -

- Advancements
- Inspiration
- Values

PERSONALISATION

Assignments -

Ventures: ANY assignment

Areas: ONE assignment per set

Disposition: TWO assignments per set

Individualities: Up to THREE assignments per set
